

A-T Solutions Ranked No. 33 on Washington Business Journal's Government Technology Contractors List

WASHINGTON, Jan. 19, 2012 — [A-T Solutions Inc.](#), a global, industry-leading anti- and counterterrorism firm based in the Tysons Corner area of Vienna, Va., has been ranked No. 33 on the [Washington Business Journal's](#) list of 2012 Top Government Technology Contractors in the greater Washington region. The rankings, which are based on local employee count, recognized A-T Solutions for a 56 percent increase over its regional team size last year, when they were No. 48.

"We are excited to be recognized again by the Washington Business Journal for our rapid growth in support of our government customers," said Dennis Kelly, president and CEO of A-T Solutions.

In October 2011, A-T Solutions was ranked No. 14 on the Washington Business Journal's list of the 50 Fastest Growing Companies in the greater Washington region. To be recognized as one of the Fast 50, companies must submit their three-year, audited financial statements, which are then verified by the Washington Business Journal. Companies are judged on their year-over-year revenue and overall consecutive growth. A-T Solutions' three-year compound annual growth rate for the review period of 2008-2010 was 66.3 percent.

About A-T Solutions

A-T Solutions Inc. is one of industry's leading and fastest-growing counterterrorism firms, providing a full spectrum of training, technology, intelligence and mission solutions that protect people, infrastructure and nations from terrorist threats. Acquired by CoVant in February 2008, A-T Solutions has unique expertise in training to support warfighters, state and local first responders, and intelligence and law enforcement professionals in detecting and defeating improvised explosive devices. The company supports more than 200 customers in more than 40 countries, including the departments of Defense, State, Justice and Homeland Security; the intelligence community; state and local governments; allied nations; and the private sector. A-T Solutions has more than 750 employees and is headquartered in the Tysons Corner area of Vienna, Va. The company has an operations and training center in Fredericksburg, Va., and additional offices in San Diego, Calif.; Larkspur, Colo.; Niceville, Fla.; Boise, Idaho; Virginia Beach, Va.; Anacortes, Wash.; and Fort Leonard Wood, Mo. A-T Solutions completed the successful acquisitions of Innovative Technology Systems in 2010 and Accelligence LLC and Trancite Logic Systems in 2009.
